Every bride wants to look a million dollars on their wedding day. This is the time where you will want to invest time and money in getting everything perfect. I offer advice, and the very best in bridal beauty treatments in East London and around West Essex.

For best results, I recommend brides start their beauty plan and regime 8 months before your wedding day. A bridal beauty consultation and plan is a must and is the foundation of my service.

## The Bridal Beauty Consultation

The 4 part consultation consists of:

- Comprehensive consultation\*
- Skin scan
- Facial analysis
- Body analysis

Consultation time (30mins)

Following your consultation, you will receive your customised beauty treatment and treatment regime to meet identified beauty needs, requirements and goals by working together.
